Rob & Gail Hamilton, Wyatt, Wacey & Joel  
Box 11, Site 15, RR#2, Cadrona, AB T4C 1A2  
Ph: 403.932.5980 • Cell: 510.3186  
email: angus@hamiltonfarms.ca

We invite you to join us on our new bull sale date, which, from now on, will be held annually on the last Wednesday of March. Mark your calendar on Wednesday, March 26, 2014, for our 19th annual production sale, held here at the ranch. We are making another change to our sale this year as we have decided to sell our bulls and heifers by video auction, rather than by parading them live as in the past. We hope you enjoy this new format as it really allows you to view the mobility of the animals much better than in a small sale ring. We encourage you to come early to view the bulls and heifers, as they will not be live in the sale ring.

We are very excited to offer the first crop of bulls sired by HF Rebel 53Y... the high selling bull in our 2012 sale to Stevenson Angus Ranch, TC Angus Ranch, and Greens Angus Ranch. Rebel is proving to be another cornerstone sire in our pursuit of raising low maintenance, high performance Angus cattle. Rebel is supported by a number of other new HF raised herd sires including, HF Concorde 252Y who was purchased by LLB Angus, HF Thunderbird 146Y who was purchased by Poplar Meadows Angus, and HF Smokin' Aces 105Y who was purchased by Bar EL Angus. We would again like to congratulate Poplar Meadows Angus, and Bar EL Angus, for their great success in the show ring last fall. HF Thunderbird was Supreme Champion Bull at Farmfair and HF Smokin' Aces was Grand Champion bull at Agribition. Way to go, Belshams and Longshores!!

We have three other new and exciting herd sires that make their debut this year as well... Ring Creek Burl Ives 88Y, Youngdale Yohann 39Y, and J Square S Fireman 14Y. These new sires have done a great job for us so far and we look forward to your judgment of this year's offering.

All of the bulls will be scanned for carcass merit and that information will be available prior to the sale on a supplement sheet. If you would like to see the scan results, watch our website as we will have the information posted as soon as it is available. Videos of every bull and female is also available on our website, but if you would like a DVD of the sale offering, let us know and we will send you one.

We invite you to stop by anytime between now and March 26th to look over the bulls and heifers and we remind you that we will also be hosting an open house on Tuesday, March 25, 2014. If you have time, drop in to have a visit and enjoy our hospitality and fellowship.

Just remember, the beef business is where you'll want to be for many years to come and the excitement of record prices is only beginning!

We'll see you on Wednesday, March 26th, 2014!

*Rob and Gail Hamilton*

## GENERAL INFORMATION

### Right to Semen...

Hamilton Farms reserves the right to collect semen on any bull sold through this sale. The semen collection will be at Hamilton Farms expense and the buyers convenience. Any semen collected will be for Hamilton Farms in herd use only.

### Expected Progeny Differences...

#### AVERAGE EPDS FOR 2013 BORN BLACK ANGUS CALVES

EPDS	BW	WW	YW	MILK	TM
	+2.7	+44	+76	+19	+41

### Insurance...

Insurance will be made available through  
Larry Toner-Stockmans Insurance 306-932-4866 or 306-834-7652  
Heather Barr-Canadian Farm Insurance Corp 780-853-7067

### Delivery...

Hamilton Farms will deliver bulls to central points in Western Canada and will assist with trucking to Eastern Canada and USA. Bring your own trailer and Hamilton Farms will deduct \$50/bull off the purchase price for bulls taken home on sale day.

### US Shipments...

Hamilton Farms will do all health testing and export papers required for shipment. We will assist in arrangements for the cattle to be shipped to central points in the US. Cost is the responsibility of the buyer.

### US Funds...

Shall be accepted at the Rate of Exchange on sale day.

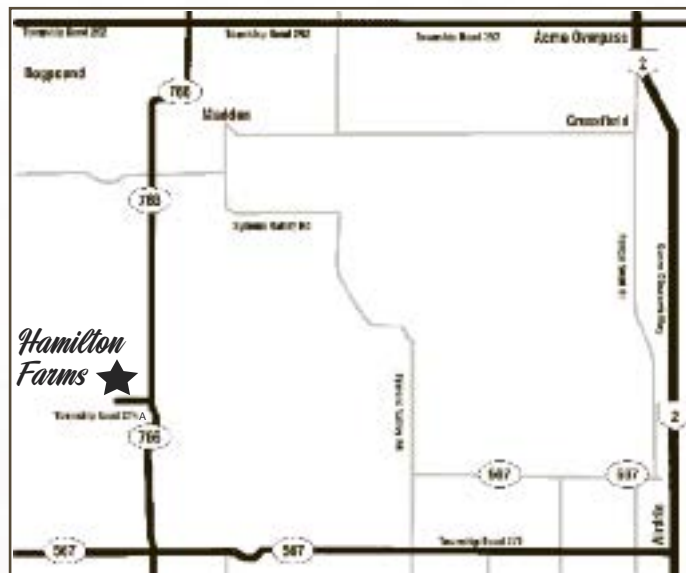

### Air Travel...

All Major airlines serve Calgary International Airport.  
Let us know if we can be of assistance in scheduling your flight.

### Sale Location...

FROM CALGARY: 9.6 km ( 6 miles) west on Hwy. 1A, 18 km (11.25 miles) north on Hwy 766, 1.6 km ( 1 mile) west.

FROM AIRDRIE: 22.4 km (14 miles) west on Bill Hill Springs Rd., 7.4 km (4.5 miles) North on Hwy 766, 1.6 km ( 1 mile) west.

### Cow/Calf Health & Management Overview for Hamilton Farms

Hamilton Farms have their entire cow herd on an integrated and comprehensive health and production management program. This program is based on the detailed collection of data on each individual animal at all key health and production points. This information is kept in a secure web-enabled database called Herdtrax™ and is continually monitored and audited by the managing veterinarians at Cow/Calf Health and Management Services (CCHMS).

CCHMS is proud to work with Hamilton Farms and if required will provide documentation and verification of all animal health processes and treatments.

If there are any questions with respect to the health and production management program at Hamilton Farms, please contact myself at the phone number or address listed below.

Yours truly,  
*Troy Drake*

Kodiak has established himself as one of the leading sires in the Angus industry today...He is a proven herd sire that consistently produces the cow mans kind and does so without sacrificing good looks and eye appeal.

Kodiak sold through the 2005 Masterpiece Sale and went to Soo Line Cattle Co. and Geis Angus for \$45,000.00 for 1/2 interest. His progeny have consistently topped sales held by Soo Line Cattle, Geis Angus, and Hamilton Farms and he is far from being out of date. Many sons have sold with hi-lites being HF Tiger 5T, high selling bull at the 07 Hamilton Farms sale for \$52,000.00 for 1/2 interest to Ring Creek Farm, HF El Tigre 28U, high selling bull through the 08 Masterpiece Sale for \$82,500.00 for 1/2 interest to Ring Creek Farm, HF Erica 26T, high selling female at the 07 Hamilton Farms sale for \$20,000.00 going to Continental Angus, Dr. Gordon Atkins, and Walkerbrae Farms. Kodiak's first 40 calves to sell at auction averaged over \$7000.00, his progeny still demand a premium, and this year marks his 5th calf crop to hit the ground. Kodiak's progeny have done well in the show ring as well as the pasture...At the 2009 World Angus Forum, Kodiak was awarded "Premier Sire" of the Show. His son HF Tiger 5T was the Grand Champion Bull, HF El Tigre 28U was Junior Champion Bull, and HF Erica 26T was Champion 2 year old cow/calf pair. The latest accomplishment was with Soo Line Cattle Co. winning Grand Champion Pen of Bulls at the 2010 National Western Stock Show in Denver with Kodiak sired bulls. Never before has a Canadian breeder won this prestigious event let alone a Canadian bred bull being the sire.

Note his impressive EPD's for birth, performance and milk! Cows bred to Kodiak typically calve 5 to 10 days early, have low birth weights and wean heavy. His daughters have awesome udders with tight attachment, small teats, and longevity to burn. There is a reason Kodiak is so popular today...he breeds true and he is the cow mans kind.

A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man."

Tiger is one of our feature herd sires that sold in our 2007 bull sale for a record breaking \$52,000.00 for one half interest, going to Ring Creek Farm, Pat and Len Friedel, Fairview, Alberta. This bull represents all the qualities that we are looking for in Angus cattle. First of all he was born unassisted from a 2 year old female with just a 76 pound birth weight. He then performed all summer and weaned off his mom on August 30th with a weight of 830 pounds. He has been admired by many astute cattlemen for his correct structure, appealing muscle shape, and proud character. His dam, HF Echo 84R, is a hard working Freedom daughter from the Echo cow family which has contributed so much to our cow herd. In 2008 she again did us proud by weaning her second calf at 880 pounds, a bull calf named HF El Tigre 28U who is a carbon copy of Tiger. El Tigre 28U sold at the CWA Masterpiece Sale 2008 to Ring Creek Farm for \$82,000.00 for 1/2 interest. El Tigre also posted outstanding birth to yearling numbers: BW - 85, 205 Adj Wt - 795 lbs and 365 Adj Wt - 1425 lbs.

We feel that the value of Kodiak and Tiger's progeny will be appreciated for their early gestation and calving ease, true and reasonable performance, and correct structure. HF Tiger 5T has been an important part of Hamilton Farms and Ring Creek Farms program's and will continue on into the future. All indications in his first three calf crops is that Tiger will breed true and very similar to Kodiak.

In 2007 Tiger was named Reserve Senior Bull Calf Champion at the Olds Gold Show, Senior Bull Calf Champion at Farmfair, and Supreme Champion Bull in the 'Legends of the Fall' all breeds show at Farmfair, and won Senior Bull Calf Champion at Agribition. In 2008 Tiger was Grand Champion Bull at Spruce Meadows and Year II Angus Futurity in Olds, Reserve Grand Champion Bull at Farmfair and Grand Champion Bull at Saskatoon Fall Fair as well as Supreme Champion Bull over all breeds. Then to top it all off in 2009, Tiger was undefeated being named Grand Champion Bull at the World Angus Forum 2009 at Spruce Meadows in Calgary, AB, Grand Champion and Supreme Champions bull at Farmfair International, Grand Champion and Supreme Champion Bull at the Canadian Western Agribition. Tiger was also part of the Champion Breeders Herd at Spruce Meadows as well as having a number of his progeny win their classes and go on to be Division Champions. A true testament of Tiger's prolific ability to breed is reflected in the fact that progeny in numerous herds have gone on to top shows and sales throughout the country.

"The world is divided into people who do things and people who get the credit."

Rebel enters our reference sire section as a 3rd generation descendent of Kodiak with true breeding potency equal to, or even better, than his sire and grand sire. When you look at the past successes in Rebel's lineage, it isn't surprising that his first calf crop has performed so well.

Rebel was the record breaking high selling bull in our 2012 sale going to Stevenson Angus Ranch, TC Angus Ranch, and Greens Angus Ranch, for \$95,000.00 for 2/3 interest. He is a powerful herd bull with unmatched body length, overall thickness, and structural correctness. As a calf, Rebel had that early maturity which is much needed in a herd sire...born easy, grow fast, and mature early. With such outstanding performance, 37 Rebel heifers had an average BW of 76 lbs and 49 bulls had an average BW of 83 lbs. Rebel's dam is an unassuming, correct made female with a beautiful udder and perfect feet. Our Done Right females work extremely well for us, and this cow is the type that you just can't have enough of. Rebel was our lead off bull in the NWSS 2012 Reserve Champion Early Bull Calf Pen of Three. An old quote that I heard many years ago sure rings true here..."Success breeds success". A Rebel son was the lead off bull in the NWSS 2014 Reserve Champion Early Bull Calf Pen of Three!

"Disciplining yourself to do what you know is right and important, although difficult, is the highroad to pride, self-esteem, and personal satisfaction."

Connealy Consensus 7229 has proven himself to be that next generation bull for Hamilton Farms that will provide calving ease, yet add loads of performance to your calves. He is an outcross pedigree for us and we plan to use his powerful genetics extensively over the next few years. Our calves by Consensus are docile, have lots of thickness, and look like the kind that will make great cows. Our first Consensus daughters have now calved and display superior mothering abilities with beautiful udders. Consensus is one of the leading Angus sires south of the border right now and this will be the largest offering of Consensus calves available in Canada. Our top son by Consensus last year sold to LLB Angus, at \$51,000. Another Consensus daughter sold through our 2012 sale to Continental Angus for \$7,750. Pine Creek Angus Stud, Australia, purchased a Consensus daughter through the 2012 Headliner sale for \$9,500.

Fireman caught our eye in J Square S's stall at Agribition in 2012 so we purchased him by private treaty and he has proven to be quite a bull. Fireman is very sound, square hipped, with lots of barrel and character. He has done a tremendous job for us and this first crop of calves will definitely be a hit for cattlemen looking for a little extra punch in terms of muscle shape and thickness. His calves are moderate in frame but very

stout and wide topped. Fireman's dam is a long and deep-bodied cow with a nice udder and a production record that boasts consistency. Look for Fireman bulls to add muscle shape to your calf crop.

Yohann was the high selling bull at \$20,000.00 for 2/3 interest when purchased through Youngdale's 2012 bull sale. He has added outcross genetics in a tremendous powerful performance package. Yohann has perfect feet, is deep ribbed, with lots of quarter and stifle. This first crop of bulls on offer has those same characteristics and

should really excel in terms of performance. Yohann's dam is a deep bodied, moderate framed female with a beautiful udder. His sire, Young Dale Knock Out 134U, has done a tremendous job, having sired many sale topping bulls with many working in pure-bred operations.

Burly is a heavy muscled, tremendous footed bull that stamps his calves with the same features. He was purchased through Ring Creeks 2012 bull sale and topped the sale at \$14,000.00 for 1/2 interest. Burly has a different twist on the topside of his pedigree featuring Saskalta's Bardolene breeding. His dam was one of the top Tiger

daughters in the Ring Creek herd with udder quality second to none. We used Burly extensively on heifers with great results and many of his calves are out of 2 year olds. Look for Burly bulls to sire no nonsense calves with longevity.

"The more we give of anything, the more we shall get back."

A little blast from the past with this guy being sired by Greens Premium 7578! When you tour through our cowherd, the Premium daughters are some of our most powerful and prolific cows. Smokin' Aces has developed into a tremendous herd bull. He is wide topped, long bodied and has great Angus character. Smokin'

Aces was purchased through our 2012 sale by Bar EL Angus, Stettler, Ab. for \$23,000.00 for 2/3 interest. Smokin' Aces was named Reserve Champion bull at Agribition in 2012, and then returned to Agribition in 2013 to win Grand Champion Bull.

Thunderbird is a power bull with tremendous depth of body, thickness, and spring of rib. Sired by Tiger and out of probably the best cow ever raised at Hamilton Farms. HF Echo 187N was admired by leading cattlemen from many different breeds, either when she was on the show road, or in the pasture. Thunderbird 146Y was purchased through our

2012 sale by Poplar Meadows Angus, Houston, BC for \$30,000.00 for 2/3 interest. Thunderbird has made his mark in the show ring this past year in BC, and topped off the season by winning Supreme Champion Bull at Farmfair International 2013.

Concorde is a maternal brother to HF Tiger 5T and HF El Tigre 28U and sired by Consensus 7229, who has made such a mark on the Angus breed over the past couple years. Concorde was purchased through our 2012 sale going to LLB Angus, Erskine, Ab. for \$51,000.00

for 2/3 interest. Concorde progeny are the right type that are moderate framed with lots of thickness and attractive profile.

# 2014 *Hamilton Farms* HAMILTON FARMS SALE BULLS

Fireman has done quite a job with his first calf crop and he started things off with a bang last spring, siring Backdraft 3A. This herd bull will add muscle to your calves and you will rest easy when they are born. His mother is a moderate Tiger daughter with a beautiful udder and tremendous muscle shape. Backdraft will be admired by many, for his extra width and thickness.

## HAMILTON FARMS SALE BULLS

Tag  
**B**  
NWSS PEN

When a 2 year old female weans a calf with the magnitude of Who's That, it is truly a great feat. This bull has shown himself off from a very young age and he has never slowed up. Truly an outlier in terms of low birth and high performance. Who's That has the thickness and correctness desired to be an elite herd sire, but what sets him apart most, is his character and maturity. He has always been a bull! His dam is a beautiful uddered, moderate framed cow that worked her ass off while breeding back to calve at the same time this year. Tiger has done a masterful job of breeding over the years and Who's That will definitely be one of his top sons. Who's That was tag B in our Res.Champion Early Pen of Three Bulls in Denver.

## *Just a note about our feeding program...*

With the exception of the bulls which were shown last fall, **the entire bull offering has been developed on a high roughage Total Mixed Ration which has been formulated to maximize nutrition without adding excessive weight gain.** Our target for gain on our bulls is approximately 2.5 to 3 pounds/day and we like to see the bulls with moderate flesh, athletic, and ready to go to work for their new owners. We know it is very difficult to properly appraise cattle with excessive body condition and we feel it is very beneficial to you, the buyer, to view the cattle when they are fresh and with visual muscle definition. We understand, and pay attention to the fact, that we are in a performance driven business and we strive to source genetics which will help add pounds to your calves, and leave you with desirable replacement females.

"We are not retreating – we are advancing in another direction."

# Hamilton Farms 2014

## HAMILTON FARMS SALE BULLS

Calving ease with extra weaning and yearling performance here. Done Right 20A is very stout and combines this thickness with a lot of high maternal traits. Both Done Right and Tiger daughters have beautiful udders and this herd bull will excel in this department.

HF Blackbird 99G - great grandam

HF Consensus 181Z - maternal brother

NWSS PEN

Patriot combines ideal phenotype with great thickness and structural correctness. When you study him in detail, it is hard to fault him in any way. Patriot is sired by Rebel, and that may be the biggest selling point for him as there is a certain amount of confidence instilled when so many 1/2 brothers in this sale are so uniform. Patriot had many friends in Denver and he was a member of our Reserve Champion Early Pen of Three Bulls. He was tag C in our Denver stall. **SELLING FULL INTEREST, FULL POSSESSION.**

## Our Three Sons!!

Joel - Vancouver Giants of Western Hockey League.

Wacey - Binghamton Senators, Binghamton, New York, AHL

Wyatt - Innisfail Eagles-Sr. Men's AAA  
coached by Brian Sutter

"Kind words can be short and easy to speak, but their echoes are truly endless."

# 2014 *Hamilton Farms* HAMILTON FARMS SALE BULLS

Tag D in our Denver display and out of one of our top donor dams, HF Tibbie 100M. This performance bull is a maternal brother to HF Hemi 151T, which sold through the Masterpiece Sale as a calf for \$35,000.00 for ½ interest. Tibbie 100M was also the Supreme Champion Female at both Farmfair and Agribition in 2007 with Hemi 151T at side. Renegade's grand dam, HF Tibbie 86K, is an Elite Dam with the Canadian Angus Association, and is also one of our favorite donor dams. Renegade will excel in weaning and yearling performance.

HF Tibbie 100M - Supreme Champion at Farmfair and CWA

HF 136Z - maternal sister x Connealy Consensus sold to Jason George \$9000 Angus Collection Sale 2013

# Hamilton Farms 2014

## HAMILTON FARMS SALE BULLS

Tag  
**A**  
NWSS PEN

This feature bull headed up our Reserve Champion Early Pen of Three Bulls in Denver. Tag A in our Denver display, Crosby was admired by many top cattlemen for his extra body length and the strength over his top. Rebel has done a tremendous job of breeding for us with his first calf crop, and Crosby will definitely hi-light this offering. His dam is a deep bodied, big volume cow, the kind that will produce herd bulls.

**SELLING FULL INTEREST, FULL POSSESSION.**

Blue Jacket was tag H in our Denver display. Another solid Rebel son out of Rosebud 98P, who has done such a great job for us. Blue Jacket is a maternal brother to HF Prowler 43U, which sold to Boss Cattle, Nebraska, for \$35,000.00 and was later syndicated for \$100,000.00 to ZWT Angus, Werner Angus, Buford Ranches, and Reisig Angus. Other maternal brothers sold to Sunny Grove Angus for \$12,500.00 and Nessel Lake Angus for \$22,000.00. Blue Jacket has two flush brothers selling in this sale, 70A, and 302A.

HF Prowler 43U - maternal brother

HF Rosebud 61A full sister sold to Walkerbrae Farms

McGowan Air Wolf is really a pretty good testament to the production abilities of Hamilton Farms females. Randy McGowan has been helping us for a number of years with clipping sale cattle and helping at shows, and spotted a heifer in our 2012 sale that he would like to own. Air Wolf is the first coupon clipped from this heifer, and what an awesome job she did. Air Wolf is full of meat and carries himself in a proud manor. Tank would be a great description. A definite sale feature that shouldn't be missed.

HF Pride 202Y - dam

HF Swagger 75W - maternal grandsire

# Hamilton Farms 2014

## HAMILTON FARMS SALE BULLS

Thunderstruck 146A is a larger framed, deep ribbed bull, out of a very sound and functional cow. HF Pride 373U has been a stellar producer for us and her make-up is flawless. HF Thunderstruck 146A has a maternal sister residing at Rafa Ramirez's ranch in Mexico, a maternal sister in herd, and another maternal sister sold through the 2012 Masterpiece sale to 3G Ventures for \$8000.00. Thunderstruck's sire, HF Thunderbird 146Y, sold through our 2012 sale to Poplar Meadows Angus for \$30,000.00. Thunderbird went on to win Supreme Champion Bull at the 2013 Farmfair International.

HF Thunderbird 146Y - sire

HF Echo 187N - paternal grandam

## HAMILTON FARMS SALE BULLS

Here is an outstanding Consensus son that will excel in calving ease without robbing pounds from you at weaning. Consensus 150A is a deep bodied, wide based bull that will catch your attention on sale day. His dam is a moderate framed, nice uddered Tiger daughter that really did a great job on her first calf. The grand dam of Consensus 150A is the dam of 123A in this sale. If you're looking for that awesome 2-way bull, this might be the one for you.

HF Ramrod 33Z - maternal brother

**Tag F**  
 NWSS PEN

This Tiger son garnered plenty of attention in our pen at Denver. He is so impressive from the rear view, plus he's got a front end that oozes breed character and stature. Tag F in our Denver display. Night Stalker 158A is a maternal brother to HF Tibbie 193U, the Junior Champion Female at the 2009 World Angus Forum, which later sold through our female sale to Continental Angus, and Diamond B Angus for \$10,000.00. So many Tiger sons have gone on and bred exceptionally well, and Night Stalker will rank with the best of them.

# 2014 *Hamilton Farms* HAMILTON FARMS SALE BULLS

A herd bull feature sired by the popular HF Concorde 252Y, which sold through our 2012 sale to LLB Angus, Erskine, Ab for \$51,000.00. His dam is a deep bodied, wide based cow, with tremendous spring of rib. Concorde 163A has exceptional style and thickness, and a pedigree overflowing with great Angus sires and dams.

## HAMILTON FARMS SALE BULLS

A feature bull from our new herd sire, Yohann. Along with a fresh pedigree, HF Yohann 169A exhibits loads of thickness, and depth of rib. His dam is an awesome Kodiak daughter with good feet and an excellent udder. Young Dale Yohann 39Y has bred very well for us with his first calf crop, and we are really looking forward to seeing his daughters in production

Young Dale Yohann 39Y - sire

## HAMILTON FARMS SALE BULLS

Titanium was Tag G in our Denver display. The breeding potential of this herd bull prospect in terms of longevity should not be overlooked. His grand dam, HF Evening Tinge 20F, is 18 years old and has produced 16 calves for us. She still boasts perfect feet and has an awesome udder, which has maintained its shape through 16 lactations. Rebel has bred exceptionally well for us and this consistency should shine through for Titanium.

# 2014 *Hamilton Farms* HAMILTON FARMS SALE BULLS

Nashville is an attractive bull out of a first calf heifer that really did her part, weighing this guy in at weaning at 831 pounds. HF Annie K 295Y is smaller framed heifer with a flawless udder and great profile. Sired by Ring Creek Burl Ives 88Y, a stout made beef bull with a 'Canadian twist' to the top side of his pedigree. The first crop of Burly calves have made quite an impression, with many of them being out of 2 year olds. Take a close look at Nashville 266A...we think you'll like him.

Ring Creek Burl Ives 88Y - sire

Duff 927K Movin Up 874 maternal grandsire

## HAMILTON FARMS SALE BULLS

This bull has been a favorite from an early age and he has never disappointed. Yohann 313A is as solid as a rock, a big square hip, with all the swagger you could imagine. Maternally, you couldn't ask for anymore. His mother is a beautiful Tiger daughter with a perfect udder, perfect feet, and she is responsible for raising one of the best females ever at Hamilton Farms. Yohann's maternal sister, HF Tibbie 101Z, is an outstanding deep ribbed female that is sure to leave a legacy here. Don't miss the opportunity to own this guy.

**SELECT  
FEMALES**

# Hamilton Farms 2014

## HAMILTON FARMS SELECT FEMALES

The Tiger x Consensus combination really rang the bell for us. The proof is in the puddin' with this eye appealing heifer that stems from the "Sure Fire" Mistress family. Mistress 11A brings low birth/short gestation, combined with great milk and growth numbers resulting in a very balanced powerhouse of a heifer. The grand dam Mistress 6M is designated an Elite/Premier dam by the CAA, and that she has been! We have a number of her daughters in our herd and they are the kind you hate to part with. This Greens Premium daughter has been one of the great ones, but she did leave for greener pastures last fall.

Conealy Consensus 7229 - sire

Greens Premium 7578  
maternal great grandsire

The first calf crop from the "Fireman" bull have been very impressive. They have an amazing amount of mass and muscle shape and yet they don't give up anything in regards to style and physical presence! There are maternal siblings working in the Anchor 1 Angus and the Dynasty Angus herds, as the Rosebud cow family continues to produce good functional cattle.

"Money can't buy you happiness, but it can make you awfully comfortable while you're being miserable."

The Blackcap 27R cow has produced herd bulls in various herds, such as Swagger 75W (x HF Tiger 5T) who is the main herd sire for Steve Harvie as well as a number of Swagger daughters in our herd that are doing a phenomenal job. The Blackcap 27R x Consensus combination resulted in a herd bull that topped our Sale in 2013, HF Syndicate 213Z selling to Australia and U2 Angus Ranch. Rebel 53Y (x Tiger 5T) was the record selling bull in our Sale 2012, selling for \$95,000.00 for 2/3 interest, going to TC Ranch, Stevenson Angus Ranch and Green Angus. A powerful pedigree and a heifer with loads of potential!

As you evaluate the heifers in the offering, you will quickly realize that the Consensus females are consistently very correct and fault free in their makeup and Misty's Valentine is exactly that! Her maternal sister (x Tiger 21X) was selected from a group of heifers by Bryanna Anderson and shown very successfully in a number of 4-H shows. This heifer has a moderate birth wt. with plenty of growth and a flawless makeup that fits together in a very complete package.

Gail and Sadie moving bred heifers

"Few things are harder to put up with than a good example."

# Hamilton Farms 2014

## HAMILTON FARMS SELECT FEMALES

Ruby 32A is a powerhouse of a heifer, which Fireman certainly brings to the equation. Fireman's calves consistently display the type of muscle expression you so desire in today's cattle. Progeny from Ruby 240U have gone as far as Mexico, as well next door to repeat buyer, Foxwood Farms. Here is a brood cow in the making.

J Square S Fireman 14Y - sire

# 2014 *Hamilton Farms* HAMILTON FARMS SELECT FEMALES

It isn't every day when you will find an ultra-feminine female with as much volume and muscle mass as Miss Blackcap 39A. There are maternal siblings in our operation, in Mexico with Rafa Ramirez, and again with repeat breeder that is expanding his herd, Foxwood Farms. Blackcap 39A's grand dam is still producing in our herd at 13 yrs of age and leads the herd home every December like a 6 yr old. Sire, Ring Creek Burl Ives was the high selling bull at the Ring Creek Sale in 2012 bringing \$14,000.00 for half interest. He is a sound footed, moderate framed, thick and balanced patterned bull, and to top it off he is out of a Tiger dam.

Rosebud 42A combines a phenomenal pedigree and a stand out heifer. This heifer is an ET calf that was raised by a marginal recip as her numbers indicate, however the genetics are rock solid! Rosebud 98P (dam) is a corner stone in our herd, producing both herd bulls and foundation females in various purebred operations across the country. A full sibling sold to Walkerbrae Farms in Ontario for \$8000.00 through the Masterpiece Sale 2013, and a maternal sister x Consensus to Glen Gable Angus in the Masterpiece 2012 for \$7000.00. Yet another maternal sister x Realist was purchased by Blackfoot Angus and is an Elite Dam in their herd. There are very reputable herd bulls out of 98P in purebred operations like Nesset

This Rosebud cow family was one of the original building blocks for Hamilton Farms and longevity seems to be a dominant trait. Rosebud 57A can boast about having her dam a nd grand dam at the age of 16 still producing in our herd. There are progeny of this cow family in numerous Angus herds such as Poplar Meadows, Anderson Cattle Co., Robin Hogberg, Bandura Ranches, 3G Ventures, Neil Stone and Anchor 1 Angus. Another Fireman heifer that is cut from the same cloth, you won't want to miss her on Sale day.

Wow, here is a heifer that sure could have been a feature! She puts it all together both phenotypically and on paper. Her dam, 192Y has a picture perfect udder and she is the full sister to HF Troubadour 228Z, who was part of the Pen of Bulls in Denver in 2013. He later sold in the HF's Sale for \$13,000.00 to Krebs Angus Ranch, Gordon NE. Yet another full sister to 192Y was sold to Rafa Ramirez in Mexico. The Connelly Consensus progeny have done a stand up job for us, both as lactating young females and top bulls in our bull sale. Many of our top selling bulls for the past couple years have been sired by Connelly Consensus 7229.

"We pay a price when we deprive children of the exposure to the values, principles, and education they need to make them good citizens."

Blackbird 63A is a moderate framed, very low birth wt. Consensus daughter out of the very popular Blackbird cow family. Blackbird 54X was purchased through Hamilton Farms Sale 2011 by Continental Angus for \$6000.00. She is a broody, moderate framed cow with what we call a "Tiger type of udder" which we think is almost as true to "type" an udder as you will find. We cannot emphasize how valuable the Tiger daughters are to us. They are docile, easy fleshing, have great udders, calve with ease and the list goes on... The Tiger x Consensus combination truly connected for a number of home runs! Note the low birth wt., awesome growth and milk numbers on Blackbird 63A.

Hf Echo 163X - dam

Yes this is definitely a Sale Feature and as popular a pedigree as you'll find! Echo 163X is a direct daughter of the ever popular Echo 187N, a cow that was talked about amongst breeders of every make or model. Echo 163X was Reserve Champion female at CWA in 2011 as a bred heifer and her dam 187N was Supreme Champion Female at Calgary Stampede and Royal Bank Supreme in 2005. Her grand dam Echo 32E was a 2-time winner of the Royal Bank Supreme Challenge, as well as the Supreme Champion Female at the Calgary Stampede in 2000. Another Royal Bank Supreme Champion was HF Tiger 5T in 2009. 73A's dam, Echo 163X was Champion Female at Farmfair Headliner Show of sale cattle and was then purchased by Continental Angus for \$16,000.00. And of course we can't forget the top side of the pedigree involving Rebel who rang the bell in our 2012 sale going to TC Ranch, Stevenson Angus and Larry Green. The first Rebel daughters to sell brought 16,000.00 to Cole Giles and Randy McGowan, and 8000.00 to Walkerbrae Farms at CWA 2013.

Echo 73A has a birth mark on her neck, but many people say that this is simply a mark of distinction!!

## HAMILTON FARMS SELECT FEMALES

Rosebud 105A was on my favorite list of heifers all summer. She seemed to make a point to set up in your face every time I was out checking pastures. Here is an El Tigre x Consensus mating, which is very similar to the Tiger x Consensus combination with so many of the same attributes. Another member of the Rosebud cow family where the longevity of this lineage can only be envied. Again note the low birth wt. and above average performance and milk numbers.

Tibbie 110A is a powerful heifer out of an Elite dam with 4 calves having a ratio of 107, and her grand dam 86K is also an Elite dam with 9 calves posting an average ratio of 109. Consistency in performance is obviously worth noting. The top side of the pedigree gives this high performance female a totally different twist. If you like a little more size and punch and a rock solid pedigree, this is the heifer for you. Don't miss her. A maternal sister to 110A sold through the Masterpiece Sale 2011 to Tanya Belsham for \$9000.00 and another sister x Consensus sold through The Hamilton Farms Sale 2013 to Riverfront Angus, as well as embryos to Ben Fraser in Australia are just a few of the notables.

Unfortunately Pride 115A was nursing a case of foot rot when we were taking pictures, so she had to sit on the sidelines. Here is a complete heifer with Tiger on the top of the pedigree and what haven't we already mentioned about why Tiger is the CAA #1 "Canadian Bred" sire by progeny. Her dam 12P is designated a Premier Dam since 2012. Pride 115A has a full sister in Mexico going to Rafa Ramirez and other maternal sisters to Krista Sinclair and Foxwood Farms as well as a "show" cow at Hamilton Farms and a commercial bull going to Doug Claypool. Pride 115A is ranked top 10 in the breed for low birth wt. and calving ease and also on the other end of the spectrum for high weaning and yearling wt. and milk ability. She certainly is a "well rounded" individual!

Not everyone has "live" lawn ornaments. Rosie and Olivia

Mayflower 135A is the top performing heifer in the offering which is no surprise with Tiger on the top and Green's Premium on the bottom of the pedigree, you only expect the results to be impressive. The Green's Premium daughters in the herd are outstanding, extremely deep bodied, broody females that you just can't get enough of to build a cow herd with. This Tiger daughter has explosive growth and great milk resulting in ranking top 3 in the breed for weaning and yearling wts. Progeny from Elite Dam Mayflower 68L have gone into various herds including Riverfront Angus, Rafa Ramirez (Mexico), Dave Trautman and Remington as well as bulls into top commercial herds like Woywitka and Spence.

HF Miss Blackcap 50N, is an Elite Dam in the CAA, having calves with an average ratio of 105. This heifer, 177A is a maternal sibling to one of our program's great donor dams, Blackcap 27R. 177A also has maternal siblings producing in purebred operations including Bandura Angus, Foxwood Farms, Darke Creek Ranch and with maternal brothers serving as herd sires for Circle J Ranch, Frank Strimbold, Peter Bosomworth and Niznik Bros. Blackcap 50N is 11 yr old and is still producing in our herd. Blackcap 27R has been a stellar cow and is no stranger to the show ring, sale ring or the front pasture. She is the Dam of HF Swaggar 75W who sold to Chute Creek Ranch of Penticton, BC.

"Thank God we're living in a country where the sky's the limit. The stores are open late and you can shop in bed thanks to television."

Another Consensus daughter out of an El Tigre 2 yr old. We used Consensus extensively on our Tiger, El Tigre or Kodiak heifers with the outstanding results we had anticipated! They calved awesome and are phenotypically so correct and like peas in a pod. 188A ranks in the top 8% for weaning and top 4% for milk and Total Maternal. Rose 62Y has maternal sisters in top herds such as Poplar Meadows, BC and Kyley Denschikoff, AB. We can't stress enough the outstanding females we are producing sired by Connealy Consensus.

Echo 197A was selected as a Sale Feature as she like cream, floated to the top of the pen both on her physical make up and the merit of her pedigree! 197A will grab your attention on Sale day, as she is very correct, lovely fronted, deep sided female with great muscle shape. The Echo cow family has many notables in the lineage over the years, including Echo 32E, who was one of the most decorated cows in her era, both for Show ring achievements and sale accomplishments and record setters! A maternal sibling to 265X is a top producer in our herd as well as other progeny in herds like Earley Bros., Blackfoot Cattle Co., Huxley Colony and Foxwood Farms. Mark you catalogue and make sure you look her up!

Erica 200A is a moderate framed, nicely made heifer who we think will look a lot like her maternal grand dam, Erica 26T when she matures. This 2 yr old dam is a full sister to a high selling bull in our 2012 sale HF Smokin' Aces going to Dave & Lynn Longshore for \$23,000.00 for 2/3 interest. Smokin' Aces was Reserve Grand Champion bull at CWA 2012 and Grand Champion bull at CWA 2013 and has bred extremely well for Longshores, ourselves and others that have used him. Erica 101Y probably has one of the top calves in our pen of 2 & 3 yr old calved cows this spring again. Connealy Consensus 7229, Green's Premium and Erica 26T are pretty sure fire genetics, so feel confident that Erica 200A should be able to produce the right kind!

Evening Tinge 213A with Kodiak 5R on the top and bottom of her pedigree had a short gestation and consequently low birth wt. with awesome performance! Her dam 99Y has a picture perfect udder as you would expect from this pedigree. The Rebel progeny do have the ability to add that explosive performance to wean off very impressive wts. come fall. Rebel's first calf crop has been beyond what we had expected not only in our herd, but the first reports from Stevenson's, TC Ranch and Green Angus have been stellar as well.

Tibbie 214A was also sitting on the bench with a lower body problem (footrot) the day we pictured, so you'll just have to come and see her in person on sale day! This heifer has a little more frame, but she also packs on more performance. She is in the top 2 & 4 % ranking for weaning and yearling wts. A maternal brother x Pure Product was purchased in our 2013 Sale by Chico Ranches.

"Look your best – who says love is blind."

# 2014 Hamilton Farms

## HAMILTON FARMS SELECT FEMALES

Erica 244A has a long list of accolades, involving her pedigree. Erica 25K had a full sister sold to Ireland for \$10,000.00 and maternal Grand sire, Green's Premium was Royal Bank Supreme Champion Bull at Agribition in 1999. Erica 25K was Reserve Champion Female and First Lady Classic Champion at Agribition in 2001 as well as other achievements along the way. Two full siblings to 244A sold in Hamilton Farms Sale 2013 to Harty T2 Ranch for \$8000.00/head. Erica 244A could fit into any role you might want her to. She could certainly compete with the best of best in the show ring or be a front pasture brood or donor cow. Don't miss out on this feature female!

One of only a couple of "Echo" females on offer in the sale. If you are looking for a moderate framed, powerful female with lots of volume, lower stifle and bone, with loads of hair, 259A is your ticket. Echo 259A is a Rebel daughter and we have a lot of confidence that they will be awesome females, as Rebel's mom fits that bill!

"I don't feel old. I don't feel anything until noon. Then it is time for my nap."

# Hamilton Farms 2014

Tibbie 304A is a powerful heifer with very impressive performance out of a 2 yr old dam. Her growth and milk EPD's are well above average, with moderate birth wt. to balance the equation. This heifer did quite well despite the fact that her dam had been very sick, before and after her calf was born. Note the different twist with the Poplar Meadows Upward bull on top side of the pedigree.

For those of you that might be looking for a cool show heifer, mark your catalogue with this heifer. I hate to say it, but I believe that she is a better heifer than her picture gives her credit for. The Fireman females have plenty of stoutness with real pretty front ends, as 306A certainly displays. Her dam, Echo 21P is an Elite Dam with 6 calves having an average ratio of 108. The Echo females always have that presence about them that you can't ignore. Take a good look at her!

## Terms & Conditions

**CATTLE INSPECTION:** All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**ALL CATTLE ARE SOLD:** Subject to such tests as required for export under regulations of health of animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

**BREEDING GUARANTEE:** All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Angus Association shall apply.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available on sale day, from the sale management at any time.

**TERMS OF SALE:** Are cash or cheque at par, payable to Clerks of the sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

**ALL PERSONS:** who attend the sale do so at their own risk, and the owners, and sale staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by the announcements from the auction stand at sale time and such corrections will take precedence over the printed material in the catalogue.

"Behind every great man is woman rolling her eyes."

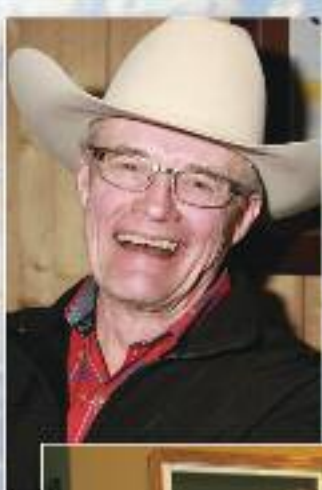

## David John Rudd

August 14, 1948 -  
September 22, 2013

Dave Rudd was a man of honor... dedicated to his family, his friends, and his neighbors. A true gentleman in every sense of the word, Dave was so well liked by everyone he met, always caring, always smiling.

Many of our customers will remember Dave, either through acquaintance at our sales, or when he was helping us deliver bulls. Dave's attention to detail was always evident, and everything he accomplished in life was done the 'right way'. Recently retired from the oil and gas industry, Dave found himself busier than ever, living life to the fullest with his wife Carol, serving on many boards and committees, and in his not so spare time, helping with many activities at Hamilton Farms. Dave will be deeply missed and always remembered.

## In Tribute....

## Stephen Murray Gibson

October 10, 1967 -  
January 31, 2014

Steve Gibson had an enthusiasm for life that was inspiring and contagious. His passion for the cowboy way of life was very apparent, and he possessed tremendous skill when working with animals, whether it is cows, horses, or dogs. Steve loved Angus cattle and his eyes would light up when the opportunity came up to discuss the latest sires, bloodlines, epd's, and common sense! I remember the first time I ever visited with Steve...he called me one spring to place an order for Tiger semen. I was sitting on a tractor seeding at the time, and by the time we said goodbye, I had seeded about 80 acres and we were still talking while I was waiting to refill! He loved to visit, and those visits were always interesting and full of thought!

It was such a pleasure to have Steve working with us...he was a person with character and integrity, through and through. Although our time with Steve was so short, our memories will be forever. Ride on Steve.

## Sincere Thanks...

We would like to extend a sincere thank you to all of our friends, family, and neighbors who gave so much support to us after Steve's tragic accident. Without your help it would have been near impossible to get through that time. It truly amazes us how, during tough times, the agriculture community rallies behind people in need. Support came to us from far and wide...emails, phone calls, care packages, and people just showing up to take the load off!

We will never forget your compassion,

Very Sincerely, *Rob & Gail*

*Hamilton*
