Co-Owned with Aspen View Red Angus, Darryl Clark at Edgerton, AB. The 7th High Seller in the 2012 U2 Ranch Bull Sale at \$15,500. He will be a mainstay in our herd as he has developed into the herdsire we were wanting in our red division. He is a calving ease bull with great weaning weights and explosive yearling weights. Lot 45 is a prime example of what we were striving for when purchasing Limitless 298Y.

Here is a calving ease giant that will fit into anyone's herd. Out of our new herdsire, Maui Built, the Mission 61W son that also will continue to see a lot of service at KBJ as he sires calving ease bulls with explosive growth and power. His dam is a New Trend daughter that goes back to the great Syringa Cow family that did do Geis Angus wonderful things and continues to do so at Six Mile. A definite top end bull here folks!

Co-Owned with Aspen View Red Angus, Darryl Clark at Edgerton, AB.  
This bull has caused quite a stir at KBJ and Aspen View farms over the past 4 years since he was purchased from Soo Line for \$18,000. At Soo Line he ranked No. 3 for WW index and No. 1 for YW Index with an 83 lb BW. What we all desire in the beef business. He has sired a uniform set of progeny in his short career; with averages of 84 lbs on BW and 716 lbs for WW. Also take note of the -2.9 BW EPD while having a +91 YW and a +23 on Milk. Not many herd bulls around with figures like this. Again these bulls are primarily calving ease bulls with explosive growth in them. Check out lots 55 & 60 as they are feature bulls.
