## MINBURN ANGUS

WELCOME TO THE 21st ANNUAL MINBURN ANGUS BULL SALE

**W**e all again welcome you the Minburn Angus Annual Bull Sale, 21st edition. The Warrilow family continue to be a breed leader in the Angus seedstock industry.

The Minburn Angus herd is one you always want to see as the cows are great hard-working females and is one of the best herds in Canada. Danny and the boys are very strict on the cowherd which shows in the progeny offered in this sale.

This year Minburn Angus has a lot of new sire groups for their repeat customers such as Poss Element 215, Wilbar Riverside 802C, Coleman Knight 209 and still carried on the bloodlines of Addiction, Max and Rebel. In the red section a very sound, functional set of bulls that will work for you as well.

The Warrilows are a hard-working family that are proud of their cow herd, it is easy to see the passion in the kids eyes as well for the Angus breed and fellowship in the industry. The family continues to get larger with the two new grandkids, Linken and Westin and the joy those two boys bring to the entire family is priceless.

I am proud to be associated with Minburn Angus. If you need any assistance please do not hesitate to call us at OBI, Minburn Angus or any of the sales staff and we will gladly help you. See you March 22nd at the Farm.

## Welcome from Castlerock Marketing

Welcome to the 2018 Minburn Angus Bull Sale, the Warrilow family has roots that are deeply entrenched in the Angus business with the registered herd starting in 1939. That alone is quite a feat but also a testament to their dedication to the Angus breed let alone Agriculture and the local community. A family run outfit no doubt and is evident with a trip to the ranch any day of the year. Breeding quality cattle is first and foremost and you will not find an outfit that is more critical of the cattle then you will find at Minburn Angus and if a bull makes it through the sale he has had numerous hoops to get through to make it. Typically speaking most of the cattle are bred by the resident herdsires that walk the pastures, a small group will get Al'd bringing fresh, unique genetics to be utilized.

Be sure to stop in at Minburn prior to the sale to assess the offering at your own leisure with the opportunity to discuss your needs and wants, you will be glad you did. Should you have any questions or unable to make it to the sale feel welcome to contact Danny or Devin ourselves at Castlerock Marketing and we would be happy to assist you in your needs. The Sight Unseen purchase program is absolutely free to your the customer with your satisfaction guaranteed!

See you sale day!

## Rob, who he was to us...

This past year the cattle industry lost Rob Holowaychuk who was not only a close friend to our family, he played a significant role in shaping Minburn Angus into what it has become today.

In the early years of our family-run cattle farm Rob showed interest in our operation and for Danny it was truly an honour to show our cattle to such a predominant industry leader. Rob would offer his professional advice and served as a close friend and mentor to Danny.

Our relationship would continue to grow and Rob became more than a business representative for Minburn Angus, he became part of our family. Rob watched our children grow, attending family events and one very fond memory of Rob we have of him was at Devin's first birthday party. It is very ironic that he left us on Devin's 30th birthday.

Rob was a driving force in pushing us to have Minburn Angus cattle attend the Denver National Western Stock Show and in the concept of holding our own bull sales at the farm. His strong belief in our cattle was important and something we will be forever grateful for.

People who knew Rob, knew him as a very knowledgeable, hard-exterior cattle businessman, a person that people looked up to. Not many people would see that Rob also had a much softer demeanour, and we were privileged to have that close relationship with him. When we lost Rob, the entire industry felt it.

Although Rob is gone, his legacy to the cattle industry and to Minburn Angus will live on in the hearts and memories of our family.
