## SALE DAY PHONES

Wayne Branden -(780)674-7867 • Logan Branden -(780)674-0103 • Mark Holowaychuk, OBI (403)896-4990

Welcome to our 1st annual JW Cattle Corp. bull & select commercial female Sale! For the past 26 years we have sold our bulls by private treaty, and we want to thank all the great cattle men & women for supporting our program. 80% of our customers are repeat buyers. Thank You! Change is always difficult, but as the cattle industry evolves, we have too as well. Our goal has been to raise purebred and commercial cattle that will go on to work for our customers.

In 2011 we changed our program to April/May calving and selling 2 Year Old bulls. We did this with longevity in mind, allowing time for bull development, stricter culling for feet, temperament and performance. It also provides customers with a bull that can cover more females. Our herdsires are selected from top females and sires from reputable angus programs.

A saying I have is, "If I'm going to feed a bull for 2 years, he better be out of a good cow". With that being said, we are very excited about the group of bulls we have to offer this year, and the dams that raise them. We would encourage you to give us a call about the offering or, better yet, come and tour the offering for yourself anytime before the sale. If you are unable to bid online or don't feel comfortable doing so, feel free to call myself or Mark from OBI to assist you.

Sincerely, Wayne, Jane, Logan & Keaton

## Terms & Conditions

All cattle sell under the standard terms and conditions set forth by the Canadian Angus Association.

Bulls can remain on farm until the beginning of April 2022. Purchasing insurance for bulls is strongly recommended to protect your investment. Bulls are left entirely at the risk of the purchaser after they are sold. Scrotal Measurements will be available 2 weeks prior to the sale. Insurance Agent: Canadian Farm Insurance - Jill Wildman (780)305-1146

Invoices will be e-mailed to all buyers by JW Cattle Corp. following the sale. Full payment, unless other arrangements have been made, is required by cash or cheque payable in Canadian funds or e-transfer to [jwcattle@mcsnet.ca](mailto:jwcattle@mcsnet.ca). Customers who pick up bulls within 7 days of purchase will receive \$100 off the purchase price of the bull.

We will deliver bulls free of charge within Western Canada or the closest point of U.S. entry.

JW Cattle Corp. guarantees to sell you a bull that is structurally sound and has passed a semen test conducted by a licensed veterinarian. Should any bull fail to be a satisfactory breeder, he will be replaced with a bull of equal value. Should this not be possible, an adjustment will be made to reflect the bull in question as a credit towards the purchase of another bull. We do not warranty against mismanagement or injury/ illness after the sale and recommend insurance for this purpose. Call us right away if there is a problem and we will work with you to get your females bred.

- 100% Guaranteed & Free Delivery
- Bulls are given 1st Shot of Fusagard for footrot prevention
- No Creep, raised on mother's milk and grass
- No feet trimmed, what you see is what it is, try to cull for feet and temperment
- These extra aged bulls can cover more cows/heifers
- Usually wean end of November, once weaned, fed a ration to gain 2-2.5 lbs/day, then turned out to grass middle of May, then pulled off grass end of October, then fed a 13% Bull Ration, silage-hay ration.

# RED ANGUS 2 YEAR OLD BULLS

**25H**

**SIRE**

- Impressive bull with a little extra performance
- Cow bull that should add pounds to your next calf crop
- Has been a standout from birth
- Specialists were our #1 sire group last year, big scrotals

## LOT A DONATION HEIFER - TAG #337

In October one of our close friends, David Lovich, passed away suddenly. David was always there for us, willing to lend a hand whenever we needed one. Our deepest sympathy goes out to Andrea, Sophia, Colton, Garry and Dianne and the rest of the family. The proceeds from the sale of raffle tickets on this 3/4 Angus 1/4 Simmental heifer will be donated towards a fund for Sophia and Colton's education.

### HOW IT WORKS

The DLMS Online Auction Timed event will allow you to buy tickets at \$10 per ticket (So \$100 will get you 10 Tickets) and then we will put all the entries into a container and draw the successful winner of this commercial heifer. All of the proceeds will then go to the Education Fund for Sophia and Colton. Call Wayne Branden if you need any help with this procedure.

**LOT A**

# COMMERCIAL HEIFERS

We selected a group of April/May heifer calves from the top of our commercial herd. The black heifers are sired by our black Angus herdsires (Eliminator, High Test, Cassidy, Zodiac). The 2 red heifers are sired by Specialist. All of the heifers were weaned the end of November and covered by our full herd health program that includes Bovishield Gold One Shot, Vision 8 Somnus, Bovimectin, and CyLence.

## HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit [dlms.ca](http://dlms.ca) and follow the link to the DLMS FarmGate timed auction site [www.farmgatetimeductions.ca](http://www.farmgatetimeductions.ca), click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if someone else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.
5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.
