

Daines Ranch Angus
DISPERSAL

**DECEMBER 16, 2022 AT NOON
INNISFAIL AUCTION MART, INNISFAIL, AB**

Welcome to Daines Angus Ranch Dispersal

Welcome to our complete cow herd dispersal. In the 40 years that we have had purebred Angus cattle, this is one of the hardest decisions we have had to make. We have watched this cow herd grow, and get better and better as the years went on. There has never been any top end heifers sold out of this herd, only the culls. They have worked hard for us and have made a good living. We're sure that these cows will do the same for you.

We started the herd with a purebred bred heifer we purchased from Brian Good of Black Browe Cattle Co at their 25th anniversary sale. We then bought the complete herd from Doug and Joyce Gibson who were long time Angus Breeders and Neighbours. Some more females were bought out of Vic Rowley's herd. We have used top bulls from many major Producers all across Canada and Montana, which has worked out for our ranch very well.

The purebred Cattle Industry has lots of prosperity in it, but as the years have gone by and with both our sons working full time jobs off farm, we are finding it harder to do all that having purebred cattle entails. Therefore, we came to the difficult decision to sell our purebred cows. We still intend on keeping a commercial herd with Angus influence and being a part of all this great industry has to offer. There is no better way to raise a family!

P.S. All Animals have been Parent Verified. All Animal's feet have never been trimmed at the Ranch.

OBI Livestock Ltd. Welcome

Welcome to the Daines Ranch Angus Dispersal Sale held at Innisfail Auction Mart, Innisfail, Ab. Mark & Shannon & Family have developed a very fertile, good footed and uddered herd with no tricks, using top end walking bulls from great dams. As you tour the cowherd, you will see this.

The cowherd is a very young one with many years ahead of these females. These females are hard-working with moderate frames. They usually wean off calves very heavy for their size, a testament to the development of these herd. The cow families here are seen throughout the catalog with many daughters selling from the aged cows, if they are here, they did the job for them. Building solid cow families is a necessity in all Angus programs.

The herdbull battery is so solid with 4 of them selling in this event. These bulls serviced their respective pastures with 85% of the cows catching on their first cycle. That is darn good!! This is so important in the fertility of the entire cowherd. Leading the way is U2 Affiliate and Jaymarandy Sweet Johnny that serviced many of the females and have a lot of progeny selling as well. They are the cornerstone of what you see today. We are also selling the top 30 bull calves, hand picked for this event.

The catalog is set up with all the herdbulls selling; cows selling, then cow calf bull pairs and then the bred heifers at the end of the book. So, it is very easy to follow for your needs.

OBI has been through the cowherd extensively and if you need any assistance, please do not hesitate to call us or any of the sales staff, or even better contact Mark for a visit of the farm to tour the entire sale offering.

See you December 15 & 16 at Innisfail.

Important Sale Information

VIEWING OF CATTLE

Viewing of cattle at the farm can happen any day leading up to the sale; call ahead please. Cattle will be displayed at Innisfail Auction Mart, Innisfail, Ab. from Monday December 12 to Sale Day.

TERMS OF SALE

The terms of the sale are cash or cheque, payable par at the sale location. The right of property shall not pass until after settlement, no invoicing on buyers in attendance, unless previous arrangements have been made. All cattle will sell under the standard terms and conditions set forth by the Canadian Angus Association.

BIDDING

Every animal entering the sale ring will be sold to the highest bidder.

DISPUTES

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision of all disputes is final.

ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

BREEDER'S GUARANTEE & PREGNANCY INFORMATION

As this is dispersal, all females will sell with no further guarantee. All serviceable age females will have been pregnancy examined by an accredited vet, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

DNA TESTING

DNA testing the coupons in these females is the responsibility of the new owner if there is a discrepancy.

BULLS SELLING

The mature bulls selling will be have passed a semen test prior to the sale and the semen papers will be at the sale for insuring these bulls.

The 2022 bull calves sell with no guarantees as this is a complete Dispersal Sale.

CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry transferred will be furnished to the buyer after the full and final payment has been made.

EPD'S

EPD's are current at the time of Printing. Breed Averages are the following:

BLACK ANGUS CE: +3.4 BW: +2.0 WW:+51 YW:+89 MILK:+23

TRUCKING

Please do bring your trailers to the sale as all cattle will be leaving the Auction Mart Sale Day. Please do make Prior arrangements if unable to bring a trailer. Cattle can leave anytime from Auction Mart as Long as paid for with the clerks. We will also be coordinating trucks the next day if we need to do so. All costs are to the purchaser.

LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that OBI Livestock Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations.

HERD HEALTH

We have always take the health of our cattle seriously. The following is the program that we have always followed:

*The Cows - the cows get vaccinated pre breeding with Express FP 5 live vaccine as well as 8way with somnagen and Ivermectin. They get a scour guard vaccine pre calving,

*Bred Hfrs - the bred hfrs also get Express FP 5 live vaccine as well as 8way with somnagen and ivermectin. They also get 2 scourguard vaccines pre calving.

*Calves - the calves get pyramid FP 5 + Presponse SQin the spring along with 8way with somnagen and ivermectin. The calves get these same vaccinations in the fall when we wean.

Sweet Johnny is a herd bull we selected because his dam, Young Dale Grace 169B, is one of the best Angus cows around. Johnny is the total package! He has a real herd bull swagger that commands your attention and his sons carry the same style. His daughters are the type to build a herd around. Sweet Johnny also bred 100% of his cows this breeding season. Find his daughters and sons the last 4 years in the catalog.

Affiliate far exceeded the expectations we had when we bought him. He consistently produced top end herd bulls and replacement females. He was used on only heifers his first breeding season and grew into a sire we bred our top cows to and serviced the largest breeding group every year. He serviced 100% of his cows this breeding season with most catching in the first cycle. He's yet another herd sire we selected that is out of a Density dam. His daughters are making the exact type of cows we look for in their build, how they are to handle, and their mothering ability. His sire, U2 Coalition 206C is one of the hottest sires in the nation right now. Find his daughters and sons the last 4 years in the catalog.

Maverick is another sire we selected for his calving ease, eye appeal and the fact that he was out of a long-time producing Kodiak Daughter. He went right to work in the heifer pen and worked so well we put him with an even larger group of heifers the next year. This year Maverick covered a large group of cows, with all in calf except one. Find his daughters and sons in the last 2 years in the catalog.

We feel High Country is one of the best bulls we have raised. He is arguably the best son out of Affiliate and one of our top herd bull producing cows in Daines Ellen Erica 1A, Lot 125. He's a negative Birth Weight EPD bull while still weaning off at an ADJ WW of 762 pounds. He's nice and gentle to handle and is in his prime to get out and cover a lot of cows. This year he bred 35/36 cows with only an old cow coming up open.

Very young March cow that will improve every year for you. She had twins this year and is bred early to High Country 56H.

First Calf Heifers

This section is the First Calving Heifers. They are a sound and very functional set of young cows that will be in your herd for a long time. If they have made it this far at the farm, they were going to be the future of the program. We check hard for udders and foot quality in our cattle and these females have passed our grading system. Buy with confidence here. They all went to different pastures to be mated with our very strong set of walking bulls. Go back to the front of the book to check them out.

In Memory of Brian Good

I would like to take a moment to honour a very special person that we all lost this year. Brian Good helped me get my start in the Angus business 40 years ago. I bought my first purebred heifer from Brian at his Black Browe Cattle Co sale. Brian leaves a big hole in the Angus World, as well as the whole Cattle industry. I will miss him dearly, as will many others. See you again down the trail Brian...

HF Air Time 141J was a \$21,000 purchase this past spring from Hamilton Farms. He is an ET calf out of the Schiefelbein Showman 338 and HF Rosebud 246Z mating. What a mating this is. Full brother went to Compass Ranch and Remitall Farms as well that day at \$40,000. Maternal brothers to HF Thrive 128D and HF Roper 27F. This bull saw a handful of the cows and half of the bred heifers.

PM Dodge The Bullet 254'21 was selected at the 2022 Poplar Meadows Bull Sale. A calving ease herdsire that was found by Brian Good for us. His dam, PM Lady Blossom 79'14 recently sold to AJ Angus of Duck Lake, Sask. He bred very well for us as you can see. He got all bred heifers in his pasture.

DAM

Bred Heifers

31 Bred Heifers on offer here out of a lot of the dams in the sale. Bred to our 2 new herdsires, HF Air Time 141J and PM Dodge The Bullet 254'21. Both calving ease bulls with some extra length and power. These heifers never came home until Oct 15 from the pasture. These females were kept to continue the very powerful cow families we have carried on at the farm. Various sire groups here, Jaymarandy Sweet Johnny, U2 Affiliate, Belvin Gunfight, Daines Whiskey and Daines Danny Boy. Check all of their dams in the sale and maternal sisters to see what these Bred heifers will become; very strong cow families at Daines Ranch Angus.
